Custom Earbud

Why use standard earbuds that are uncomfortable, when you can get custom made earbuds? You can wear these when you are at the gym, going for a walk or run, washing your car or just listening to music.

The Oto Hearing custom earbuds come in a variety of colors and is made from a high grade silicone product that will provide a comfortable fit, while isolating white noise so that you can enjoy maximum music experience. When ordering your very own custom earbuds – don't forget to send in your receivers along with the ear impression when placing the order.
